Dear Freshmen, Sophomores, and Juniors,

Many of you are considering summer study, and you'll be happy to know that Alumni & Friends of LaGuardia (A&F) provides support to a limited number of students who need financial assistance. If you would like to apply for financial assistance for summer study in your studio area, please read the information below, sign the attached document, and submit the online form at: <https://alumniandfriends.org/summer-study>

This paper form and the online form must be submitted to the Alumni & Friends office in room 853 ***no later than Tuesday, January 31, 2017 at 5pm.***

[How do I apply and how are students selected?](#)

Students submit completed applications with signatures and supporting documents to A&F. The A&F Grants Committee reviews applications to determine award recipients.

Please note the following:

- **Funds are limited**
- **We only consider programs related to your area of artistic study (for example, we will not fund language or other academic programs, cultural studies, environmental studies, etc.)**
- **We only consider financial assistance for program costs and do not fund travel expenses or room and board**
- **Applications for international programs will not be accepted**

Award recipients will be notified by the beginning of March 2017.

[Can I apply for financial assistance even though I have not yet applied to a summer program?](#)

Yes. You may receive a grant from A&F even if you have not yet applied to a program. You may also apply for a grant if you have not yet been accepted and are waiting to find out.

[How is the grant money awarded?](#)

All grants are paid directly to the program, class, or teacher. No money is given directly to students.

If you have any questions, please stop by room 853, call us at 212-595-1301, or send an email to leigh@alumniandfriends.org.

Sincerely,

Alumni & Friends of LaGuardia H.S. of Music & Art and Performing Arts

A&F's mission is to continue and enhance the world-class arts education at LaGuardia by providing funds to the art studios; to ensure that all students, regardless of family income, can successfully pursue their talents through award and scholarship programs; and to keep alumni connected with each other and the school.
